# About Prerana

A caring school environment designed for holistic development and confidence building

## Our Purpose

Prerana School of Hope supports children with special needs through individualized education, therapy, recreational exposure, cultural participation and a safe, encouraging atmosphere.

- ✓ Child-centred learning and individual attention
- ✓ Therapy and rehabilitation support
- ✓ Learning through play, celebration and participation
- ✓ Parent partnership and continuous encouragement

*“Every child can learn, improve and shine.”*

# Why Parents Choose Prerana

A complete development ecosystem for education, therapy, life skills and happiness

## 1 Individual Plans

Each child receives focused support through IDP-based learning.

## 2 Therapy Support

Physiotherapy helps children improve strength, posture and mobility.

## 3 Life Skills

Self-care, communication and social skills are practiced through daily routines.

## 4 Activities

Sports, birthdays, cultural events and celebrations build confidence.

**Holistic development means every area of a child's growth is encouraged - learning, movement, communication, social participation, confidence and happiness.**

# Therapy, Care & Development

Helping every child reach personal milestones through structured physiotherapy and support

## Physiotherapy Focus

- ✓ Balance and coordination
- ✓ Mobility, posture and strength
- ✓ Motor skill development
- ✓ Physical independence
- ✓ Participation in daily activities

Therapy sessions are planned to make children more confident in movement, participation and functional daily activities.

*Every small step forward is a milestone worth celebrating.*

# Individualized Learning & IDP

A child-focused plan to support progress in learning, behaviour, communication and independence

1

## Baseline Assessment

Understand every child's current strengths and needs.

2

## Individual Plan

Prepare goals for education, therapy and life skills.

3

## Daily Support

Practice learning, self-care, communication and participation.

4

## Progress Review

Track development and involve parents regularly.

**Parent Partnership: regular interaction, guidance and review help children continue learning beyond the classroom.**

# Life at Prerana

Learning beyond the classroom through play, celebration, culture and shared experiences

Outdoor Play • Dance • Annual Day • Cultural Events • Sports • Picnics • Community Participation

# Cultural Celebrations

A stage where children participate, perform, gain confidence and receive appreciation

## Stage Exposure

Encourages children to participate confidently.

## Cultural Values

Celebrates festivals, national days and traditions.

## Community Link

Parents, guests and community members participate.

## Recognition

Children are appreciated for effort and progress.

*Every child deserves a stage to shine.*

# Student Achievements & Success Stories

Celebrating progress, participation, recognition and personal milestones

District-level participation

Cultural recognition

Sports participation

Therapy milestones

Life-skill progress

Community exposure

*Success is measured by progress, courage and participation.*
